

The background of the image features a light blue gradient. At the top, there are several surgical lights with multiple small lamps. One of the light fixtures has a green label with the text 'aniv' and 'FERRARMA'. In the bottom right corner, there is a stylized illustration of a doctor wearing a white lab coat and a stethoscope. A semi-transparent light blue rectangle is overlaid in the center of the image, containing the text 'Catalogo' and 'antiu'.
